Above: Mayor Bevilacqua, City of Vaughan; Peter Cipriano, President of the Irpinia Club; Dr. Rajin Mehta, Head of Geriatric Medicine Division at Sunnybrook Health Sciences Centre; Rob Gottschalk, Advancement Director, Sunnybrook Foundation; Molly Gillan, Advancement Officer, Sunnybrook Foundation.

Nearly 800 members of the Italian community, local businesses, and their friends participated in the Irpinia Club Ballo Autunnale event at the Riviera Parque in support of the Club's initiative to improve health care for seniors. With the goal of expanding a Fellowship Program at Sunnybrook to provide doctors training and experience in the medical and social challenges faced by seniors, the generosity of supporters raised \$75,000 for the Ballo Autunnale and another \$75,000 was donated by Peter Cipriano to match the funds for the Geriatric Medicine Division at Sunnybrook Health Sciences Centre.
