

# A Simply Awesome Irpinia Club Picnic

SUNDAY JULY 29, 2018 – loyal fans of the Irpinia Club annual Summer picnic came out in droves for the rescheduled event that had been rained out the previous Sunday.

Led by club president Peter Cipriano, event co-ordinators Dureen and Nella and the volunteer team set up a second time with a dedication to ensuring flawless execution of the event for picnic-goers.

Participants who packed the event venue at Cipriano Farms despite a possibility of rain were not disappointed as they partied and feasted on an extensive menu made even more delectable by Executive Chef Antonio Barone working his

culinary magic on food and service.

Picnic-goers were absolutely pleased with the surprise appearance of newly-elected Premier of Ontario Mr. Doug Ford and his wife Karla. Attendees old and young were thrilled to meet-and-greet Mr. Ford.

Other notables in attendance were Stephen Lecce, Wayne Emerson, Sunder Singh, Gino Rosati, John Sprovieri, Rosanna De Francesca, Vincent Crisanti, Julian Fantino, Steven Del Duca, Michael Di Biase and Carmine Perrelli.

The sunshine finally gave way to rain in the late afternoon and the picnic came to a close on a high note. It was another simply awesome picnic event for Peter Cipriano and team.
